BANANA SNOWMAN ON A STICK

INGREDIENTS:

- Bananas
- Carrot
- Raisins
- Pretzel sticks
- Grapes
- Apple
- Bamboo skewers

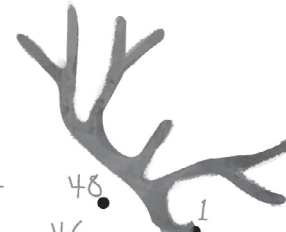

DIRECTIONS:

1. For each snowman, you will need three thick slices of banana, a grape, a sliver of carrot, and a triangular piece of apple.
2. Tip: Before beginning, ask an adult to poke a hole in the apple piece with a bamboo skewer to make assembly easier.
3. Slide the fruit onto the skewer, then use the carrot slivers for noses, raisins for eyes and buttons, and pretzel sticks for arms.
