

it's the  
**F**IR**S**t **D**ay  
of **F**all

Enjoy snacking on the delicious **APPLE** or use it for some of the following activities:

## SCIENCE

### Will your apple sink or float?

Cut your apple open and talk about the different parts.

## MATH

1. How could you measure your apple?
2. How tall is your apple?

## ART

Cut your apple in half, dip it in paint, and make apple prints.

## DISCUSS

1. What is your favorite kind of apple?
2. Have you ever eaten apple pie?

## BOOKS

**Apples** by Gail Gibson

**Apples for Everyone**  
by Jill Esbaum

**How Do Apples Grow?**  
by Jill McDonald
